

Retiring Supervisor Says Thank You

I would like to thank the residents of West Caln Township for giving me the opportunity to serve on the Board of Supervisors for the past 26 years.

During this journey I've met many kind, helpful and inspiring people who have given me wise council, support and friendship. My goal has consistently been to work for the good of our residents and the betterment of our township while always being mindful of the budget in order to avoid increasing taxes on our residents.

We are fortunate to have a very capable, well qualified office staff in place as well as many dedicated volunteers and an excellent road crew. We have two full-time police officers and eleven part-time police officers who do an outstanding job in maintaining law and order in our community. Every one of our employees works diligently daily to improve our township. We can be very proud of them.

It has been an honor and a privilege, with a deep satisfaction, to have been involved in the many aspects of our local government. The work has been time consuming, challenging and interesting. I will surely miss it.
