Land Development Commercial/Industrial (Non Residential).....	\$200.00 plus \$25.00 for each 1,000 square feet of Building area proposed

**ESCROW FOR ENGINEERING:**

1. Minor Subdivisions or Land Developments in which no roads (public or private) are to be constructed or no other improvements (including but not limited to walkways, curbs, gutters, street lights, shade trees, water and sewer mains, hydrants and storm drains) or removal of topsoil or dirt (except for excavation for construction of a single family dwelling) or any subdivision requiring escrow or performance bond for improvements.....\$1,000.00 Deposit
2. Major Subdivisions or Land Development.....\$2,500.00 Deposit

**ENGINEER REVIEW FEES:**

It is to be understood that the monies placed in the escrow for engineering are deposits only. Monies not consumed by the engineering review will be returned to the applicant. If during the course of the review of plan the cost of engineering review should exceed 80% of the amount escrowed, additional monies will be required to cover the cost of review. The deposit will include a 5% Administration fee will be charged by the Township on all escrow account established Engineering bills will be sent to the developer on a monthly basis as received. A 1 1/2% service charge will be applied to all outstanding bills over thirty (30) days old. Bills that are over sixty (60) past due shall result in action by the Township Solicitor to secure payment of funds. Such action may include, but not limited to, rejection of plans that are not consistent with Township Ordinances or withholding of permits as allowed by the Municipalities Planning Code.

**LEGAL FEES:**

In the event that the proposed plan for subdivision or land development requires that Land Development and/or Financial Security Agreements be established or should other documents pertinent to the proposed plan need be reviewed by the Township Solicitor, the applicant will be responsible for all costs connected with the review.

**INSPECTION OF SUBDIVISION AND/OR LAND DEVELOPMENT PROJECTS:**

Prior to the commencement of construction of a subdivision and/or land development project, the Township Engineer shall recommend an amount to be escrowed, and said amount shall be included as a line item in the Financial Security Agreement for the inspection and associated activities necessary for the Township and Township Consultants to review and inspect said subdivision or land development projects. As the Township and its consultants perform activities and inspections associated with the project, the bills for such inspections and related activities will be sent to the developer for prompt payment. A 1 ½ service charge will be applied to bill that is over thirty (30) days old.
