

## NOTICE

Notice is hereby given, in accordance with Pennsylvania Department of Environmental Protection regulations, Section 71.53(d)(6) of PA Code, Title 25 Act 537, that West Caln Township is accepting written comments on a Minor Act 537 Update Revision for development of a Sewage Management Program (SMP) to include all On-Lot Disposal Systems and Community On-Lot Disposal Systems (Sewer Facilities) within the Township. The SMP is designed to prolong the life of the Sewer Facilities through proper Operation and Maintenance and be conducted in 2 phases. Phase one will develop an inventory using registered Service Providers to observe the current conditions of the Sewer Facilities while pumping all tanks; provide education to residents; set standards for maintenance and operations and establish fees for implementation. Phase two will include reoccurring pumping of all Sewer Facilities at 3-year intervals. The administration of the SMP will be paid for from the General Operating Budget. Fees associated with the observation and pumping of the Sewer Facilities will be paid for by the property owner.

Due to the current Covid-19 social distancing limitations, the Minor Act 537 Update Revision for development of a Sewer Management Program is conveniently available for review on the Township's website at [www.westcaln.org](http://www.westcaln.org) If viewing online is not feasible for a resident, please contact Kim Milane-Sauro at (610)384-5643 to make alternative arrangements.

All comments must be in writing and submitted within 30 days of the date of publication of this notice to:

Kim Milane-Sauro  
Assistant Township Manager  
West Caln Township  
721 West Kings Highway  
Wagontown, PA 19376
