

Sewage Management Program

Steps to Completion

Step 1: Property Owner receives notification from Township.

Step 2: Property Owner attends Sewage Management Program (SMP) Educational Meeting.

Step 3: Property Owner locates Licensed Liquid Waste Pumper List from Chester County website <https://www.chesco.org/983/Sewage-and-Water-Contractors>

Step 4: Property Owner collects on-lot records if available, or contacts Chester County Health Department at 610-344-6000 for records.

Step 5: Property Owner schedules service with Licensed Liquid Waste Pumper.

Step 6: Licensed Liquid Waste Pumper pumps tank and completes on-site checklist.

Step 7: Property Owner and Licensed Liquid Waste Pumper complete financial transaction.

Step 9: Property Owner and Licensed Liquid Waste Pumper complete pumping and reporting at 3-year intervals.

Thank you for your participation!
